Exercise 1 LuFG i9 - Learning Applicaiton

[20 Additional Points]

Participate in the learning application of the LuFG i9 (either in person in VR or using the Desktop Application <https://infosphere-evaluation.informatik.rwth-aachen.de/index.php/397971?lang=en>), and upload the acquired personal access key to moodle in form of a `KEY.txt` file.

Note: This assignment is not graded for team submissions. Each student has to upload their own access key in order to get the additional points. Each key is only graded once. If multiple students upload the same key, none of these submissions will be graded.
